

...inspired to make a difference.

INTRODUCTION

Sisters Unite for Children (SUC) is a charitable nonprofit organization dedicated to protecting, educating, and empowering vulnerable children and families in Nigeria. Established to respond to the growing needs of disadvantaged children, SUC works with communities, caregivers, and partners to provide sustainable solutions that restore dignity and create opportunities for growth.

e - BROCHURE

**Sisters
Unite for
Children(SUC)**

Mission

To improve children's lives and empower mothers and women through faith-based community outreach, health, and education, fighting poverty and promoting sustainable development.

Vision

To see children equipped to reach their full potential and families strengthen by empowered mothers and women.

Join us to transform lives.

VISION

To create a safe, inclusive, and empowering environment where every child can thrive, learn, and reach their full potential.

MISSION

To create a safe, inclusive, and empowering environment where every child can thrive, learn, and reach their full potential.

...inspired to make a difference.

CORE VALUES

Child Safeguarding – ensuring children's safety and well-being.

- Integrity & Accountability – operating with transparency and responsibility.

- Collaboration & Partnership – working with stakeholders for greater impact.

- Service & Compassion – prioritizing the needs of children and families.

- Excellence & Innovation – delivering sustainable and creative solutions.

OBJECTIVES

- Protect vulnerable children from abuse, neglect, and exploitation.
- Improve access to education and provide scholarships for underserved children.
- Empower mothers and caregivers with knowledge and skills to safeguard children.
- Mobilize volunteers and stakeholders for child-focused initiatives.
- Advocate for child rights and influence policy change

PROGRAMS AND ACTIVITIES

Back-to-School Drive – providing school kits, books, and scholarship/exam fee support.

- Mothers of Influence – training mothers and caregivers in protection and empowerment.

- Becoming a Better You (BABY) – mentorship for youth in resilience, self-esteem, and life skills.

- Community Outreach Projects – school visits, Christmas parties, and child advocacy campaigns.

GOVERNANCE STRUCTURE

- **Board of Advisors (General)**
– provides oversight and strategic guidance.
- **Executive/Project Team** – manages daily operations and programs.
- **Committees** – Membership, Volunteers, and Fundraising/Finance Committees to ensure organizational efficiency
